## **WSRI Executive Director Search**

Washington, DC – WSRI Executive Director Jim Fendig has announced his intent to retire after the May 4, 2016 WSRI Annual Meeting. The WSRI Board is now seeking applications for the position of WSRI Executive Director.

Crad Jaynes, WRSI Chair noted, “We are accepting applications to fill Jim’s slot and are seeking candidates with high energy, excellent written and oral communications skills, and proven organizational ability. Past association management work would be a plus.”

Please contact Jim Fendig [fendig@bellsouth.net](mailto:fendig@bellsouth.net) for a position description and job application.

Completed job applications should be emailed to WSRI Chair Crad Jaynes at [bcjpaw@windstream.net](mailto:bcjpaw@windstream.net) The closing date for applications is November 15, 2015.

The **Wood Supply Research Institute** [WSRI](#) is a joint project of professional loggers, forest landowners, wood consuming mills, educators, and manufacturers that facilitates and funds research to promote and improve efficiency in the wood supply system.
