Data from surveys of industry by states for USFS or by individual state (Forestry Commission, University, etc).

Data updated by USFS personnel using previous state surveys, tax data, etc.

SRS, USFS = Southern Research Station, FIA/TPO, Knoxville, TN, Tony Johnson,

NRS, USFS = Northern Research Station, Minneapolis, MN, Ron Piva,

UMT, WRS, USFS = Univ of Montana for Western Station, USFS, Missoula, MT, Chuck Keegam, Todd,

SPR = Southern Pulpwood Report published annually, 100% reporting by paper mills, SRS Sta, Knoxville, TN

TPO = Timber Products Output by USFS and State Forestry Com, varies directly by thoroughness of each participating state and industry, South best, other regions limited

WPR = Wood Processor Report annual by state Maine, most thorough state report
